In this zone, we want you to let your imagination run wild! Choose one of these activities to complete the imagination zone

## Design a camp badge

We would love to see your ideas for a camp badge. If there is enough interest, we will get the design turned into a real badge for the camp 😊

The badge must contain the camp name and Girlguiding Gloucestershire. Otherwise, it is up to you what goes on it!

You can send us your badge pictures by email or sharing them on our facebook group

## Design a tent

What would your ideal tent look like? If you could have anything you wanted in your tent, what would it contain? Would you have any camp gadgets?  
You could draw your tent, or build it from recycling materials at home!

## Wellies!

An essential part of everyone's camp kit list .... Why not design your own pair of wellies? What would they look like? Will you add anything extra to them? Maybe they have some special super power ....

## Giant Art

Can you make a giant piece of art work at home using items from around your house or garden? Arrange everything on the floor and take a picture from above
