

Girlguiding Gloucestershire Arts Team - - CHIME BARS AND HANDBELLS

We have in the county two sets of Chime Bars, with beaters, and two sets of Hand Bells, 26 of each (so can cater for quite a large group.)

These are very 'user friendly' and there are some charts of Guiding songs with 'notes' corresponding to the both the bells and chimes.

Suitable for all ages and abilities. . .no musical experience needed for either Leader of session or those taking part. . .just a sense of rhythm.

These instruments are housed at Deer Park HQ, Cowley and can be accessed by contacting the Centre Manager on deerpark@girlguidingglos.co.uk

It would be nice to see them being more widely used - - they make for a 'fun evening'.
