This year Girlguiding Gloucestershire are inviting the Rainbows to join us at Deer Park to have fun and complete an interest badge.

All Gloucestershire Rainbows are invited to attend a fun day of activities at our Guiding Activity Centre at Deer Park, Cowley.

Rainbows will be taking part in a selection of activities in their unit groups, accompanied by their Leaders. Activities include: tunnels, grass sledging, interest badges, Arrows, Trails and adventure playground.

Please send your daughter in Rainbow Uniform, with a waterproof jacket, sunhat and suitable footwear for outdoors on grass. The shop will be open onsite for girls to visit, which includes sweets, small gifts and toys please ensure any money (change is preferred) in a purse with your child's name marked on it. Apply sun cream before arriving and if required additional for your child to add later. Girls will need a labelled lunch bag containing packed lunch and refillable drinks bottle. Please ensure **EVERYTHING** is labelled with your daughter's name.

To book to come to this event, return the attached consent form to:
your Unit Leader by 20th May, with £15.00 non-returnable payment.

This is a large scale event with a chance to meet Rainbows from across the County. Your daughter will remain with their own Leaders/helpers, whom they are familiar with.

NB: As we expect a large number of girls to attend there will be a staggered arrival and departure time, and one way system in operation on the day, which your Unit Leader will inform you of nearer the time. Car sharing will be appreciated!
